

**IN THE UNITED STATES COURT OF APPEALS  
FOR THE DISTRICT OF COLUMBIA CIRCUIT**

American Society for Testing and  
Materials; National Fire Protection  
Association, Inc.; American Society  
of Heating, Refrigerating, and Air-  
Conditioning Engineers, Inc.,

*Plaintiffs - Appellants*

v.

Public.Resource.Org, Inc.,

*Defendant - Appellee*

No. 22-7063

**APPELLANTS' UNOPPOSED MOTION FOR LEAVE TO FILE A  
CORRECTED FINAL BRIEF**

Pursuant to D.C. Circuit Rule 27 and Federal Rule of Appellate Procedure 27, Plaintiffs American Society for Testing and Materials d/b/a ASTM International (“ASTM”), National Fire Protection Association, Inc. (“NFPA”), and American Society of Heating, Refrigerating, and Air-Conditioning Engineers, Inc. (“ASHRAE”) (collectively, “Plaintiffs”) respectfully move to file a corrected final brief. Plaintiffs recently learned that the version of the final brief that they filed on January 27, 2023, Dkt. 1983622, inadvertently omitted an Appendix and Addendum that

were timely filed with Plaintiffs' opening brief, Dkt. 1964641. Filing the corrected copy will reduce the burden on the Court by providing all of the information referenced in Plaintiffs' Final Brief in one document. A corrected copy of Plaintiffs' Final Brief is attached to Plaintiffs' Motion. The corrected copy is unchanged apart from appending the Appendix and Addendum.

Plaintiffs have contacted Public.Resource.Org's counsel, which has stated that it does not oppose this motion.

Dated: March 09, 2023

Respectfully submitted,

s/J. Kevin Fee
